Matrix New World Engineering, Inc. participates at the SAME Federal Contracting Opportunities Program Event

Matrix New World Engineering, Inc., announced its participation as an exhibitor at the SAME Federal Contracting Opportunities Program

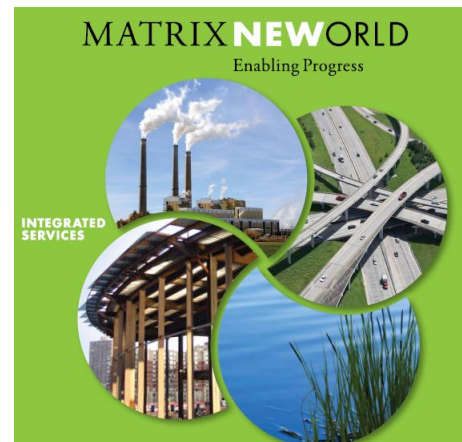

East Hanover, NJ - November 10, 2011

Matrix New World Engineering, Inc. (Matrix) will be an exhibitor at the NJ Post SAME Federal Contracting Opportunities Program - A/E/C/Environmental FY2012 which will be held at the Newark Liberty International Airport Marriott Hotel on November 17th, 2011 at 11:00 am.

This program is intended to provide detailed information on the anticipated contracting opportunities for the architecture, engineering, construction, and environmental communities in the northeast U.S. for FY2012 and beyond.

Matrix has a strong reputation for providing engineering and consulting services to federal agencies as well as state or local agencies in the northeast, southeast, and southwest. The company was formed in 1990 as a primarily environmental consulting firm serving a small base of clients, and is the largest and most respected woman-owned full service engineering firm in the northeast. Today, Matrix provides environmental, geotechnical, and civil engineering, oil spill response and survey services.

We invite you to stop by our booth to learn more about our capabilities, affiliates, certifications, and projects we are working on.
