Re: Disadvantaged Business Enterprise certification for Matrix New World Engineering, Land Surveying and Landscape Architecture, PC dba Matrix New World Engineering

Dear Jayne Warne:

Congratulations! We are pleased to inform you that your company, Matrix New World Engineering, Land Surveying and Landscape Architecture, PC DBA Matrix New World Engineering has been found eligible for certification and is now certified officially as a Disadvantaged Business Enterprise (DBE) by NJ TRANSIT, on behalf of the New Jersey Unified Certification Program (NJUCP). This certification grants DBE status and benefits to your firm on federally funded projects by NJUCP Partners NJ TRANSIT, the New Jersey Department of Transportation, and the Port Authority of New York and New Jersey. Provided your company continues to meet the eligibility criteria and comply with the participation requirements established in Code of Federal Regulations Title 49 Part 26, your certification will remain in effect until your firm completes the program (graduates) or you choose to withdraw from the program.

Note: This certification letter is to be utilized as evidence of your firm's DBE Certification under the NJUCP.

DBE Program Participation Requirements

On an annual basis, at the anniversary of your certification date, you must submit a signed and notarized DBE "No Change Affidavit" affirming that there have been no changes within your company that would affect your eligibility or status as a DBE. It is your responsibility to notify this office in writing **within 30 days** of any significant changes to your company including but not limited to the ownership, control, and location. Failure to do so may result in decertification of your business.

NJ TRANSIT's Office of Business Development will provide you notice and reminders of when the information above is due and **reserves the right under regulation to request information from you regarding your company at any time.** Failure to provide information when due and/or respond to requests for information in a timely way, may result in decertification.

DBE Certification Information

**Your company's NJUCP Identification number is 001030
Certification Effective Date – September 21, 1994**

The following table lists the North American Industry Classification System (NAICS) code(s) and classification(s) that have been assigned to your company in accordance with the service(s) your company render(s) and the business description giving details to the specific services your firm provides. Your firm will be listed on the NJUCP Directory (<https://njucp.dbesystem.com>) which will indicate the type of work that your firm has been certified to perform.

Business Description: Marine engineering; environmental remediation services; construction management services for mass transit and marine structure engineering construction projects

**NAICS 237990: CONSTRUCTION MANAGEMENT, MARINE STRUCTURE
NAICS 237990: CONSTRUCTION MANAGEMENT, MASS TRANSIT
NAICS 541330: MARINE ENGINEERING SERVICES
